\*Wymagane

2. Surname \*

---

3. E-mail \*

---

4. I hereby declare that I have been informed in detail about the method of conducting \*  
the research and my participation in it. I understand what the research is about and  
what my consent is needed for. I certify that I have received comprehensive,  
satisfactory answers to the questions I have asked about this interview. I have  
been informed that I may refuse to participate in the research at any time during  
the research project. Based on the information provided to me, I give my consent to  
participate in the research. I know the purpose and legal grounds for processing  
my personal data, as well as the scope of my rights in this respect. I consent to the  
video recording of my image and sound for its indefinite use for the purposes of the  
research. I declare that the above consent to video recording of my image and its  
use is granted free of charge, without time and territorial limits.
